Remington® Slings.

Uncle Mike's Ultra Sling. Padded Cordura® 1" nylon sling, stitched and quilted non-slip shoulder pad with QD swivels.

Uncle Mike's Utility Sling. Nylon 1" sling with QD swivels.

Uncle Mike's Mountaineer Sling. Nylon 1" web sling with non-slip lining and QD swivels.

Xtra EZ Adjustable Sling. 1 1/2" mil-spec webbing

Universal Magazine Cap.

- Fits all 12-gauge and 16-gauge 870s and 11-87 models
- Allows you to add a sling to your Remington shotgun
- Excellent companion to our Xtra EZ™ rifle slings

Rem™ Pad Gun Cleaning Mats. Ideal for use on table tops or benches for easy gun cleaning.

Soft, acrylic surface material that won't scratch guns or tabletops and helps keep small parts from rolling away. Absorbent top material traps and holds up to eight times its weight in fluids, while a non-slip vinyl bottom forms a barrier to prevent spilled fluids from soaking through. "Remington® Green" color. Fully machine-washable and available in two sizes — 12" x 28" and 18" x 54".

Brite Bore.™

- Dissolves carbon and powder fouling without strong odor
- Cleans choke tubes
- Removes copper, lead and plastic-wad deposits
- Contains no CFC's

Bore Cleaner.™

- Quickly removes carbon, lead, copper and plastic-wad fouling
- Non-aerosol, non-solvent cleaner mechanically lifts out all fouling and surface rust
- Safe non-solvent alternative to traditional solvent cleaners
- Non-staining, environmentally friendly, and packaged in spill-proof bottle

Rem™ Oil.

- Displaces and repels moisture from non-visible metal pores
- Promotes smooth, reliable firearm performance in all weather
- Leaves a long lasting Teflon lubricant film without sticky residue to prevent gumming
- Reduces friction, prevents wear and contributes to longer equipment life

Rem™ DriLube.™

- Keeps firearms functioning dependably to -40°F
- Designed for use wherever a dry, non-oily lubricant is required

- Stays where applied — won't creep, run or drip
- The tough, non-congealing film air dries on contact

Rem™ Action Cleaner.

- Efficient way to clean the fire-control mechanisms of fine firearms
- Effectively removes all used lubricants, producing a clean, and dry surface
- Safe for metal, wood, and plastic surfaces
- Blasts away grit/debris from firearm action without disassembly
