Dale Earnhardt Tribute Shotgun Series Continues with Third Limited Edition Offering for 2005

Madison, NC – The Model 870™ Wingmaster® in 12 gauge has been selected as the third offering in the commemorative series of Remington® shotguns honoring dedicated outdoorsman and NASCAR legend Dale Earnhardt. This limited edition, highly engraved Model 870 joins the 2003 offering of a Model 11-87™ Premier® shotgun in 12 gauge and this year's Model 11-87 Premier in 20 gauge.

With nearly nine million Model 870 shotguns sold since its introduction in 1950, the selection of the Wingmaster for the 2005 Dale Earnhardt Tribute shotgun is the perfect choice to honor Remington's close friend and avid hunter. A portion of each sale generated from the Model 870 Tribute shotgun will be donated to the Dale Earnhardt Foundation to continue Dale's efforts to support wildlife initiatives and children's educational programs, two of his favorite causes.

This classic Model 870 pump action shotgun features a handsome American walnut stock and fore-end, both enhanced with generous machine-cut checkering. The high polished blued finish on the 28-inch vent rib barrel and receiver compliment the hi-gloss wood. The embellished receiver on this 870 Wingmaster features Earnhardt's likeness, his signature and decorative scrollwork on the left side and a tributary banner recognizing his seven Winston Cup Championships on the right side. Adding to the beauty of this commemorative shotgun is the 24 karat gold inlay on the signature and banner. As with the previous offerings in this collectible series, the serial numbers will start with "DE3" recognizing the familiar #3 car that Earnhardt drove to his championship titles.

Recognized as a workhorse in the field, the Model 870 provides remarkable reliability and durability. The ruggedly-designed receiver is milled from a solid block of steel and twin action bars assure positive, non-binding action. Its timeless design and natural balance make this 12 gauge Model 870 Wingmaster a true classic to be proudly displayed in your gun cabinet or used in the field.

The Model 870 Wingmaster Dale Earnhardt Tribute 12 gauge shotgun, the third in a four-year series, is available at a suggested retail of \$820.
