**Model 870 Pump and 11-87 Semi-Auto
12-Gauge LE Shotguns**

Remington 12-gauge LE shotguns lead the field in durability, performance, features, safety and long service life

Both 870 and 11-87 LE Shotguns share many standard features and options you require... ones that can make a difference

- * **3" Chamber** accepts all 2 3/4" and 3" 12-ga Shells
- * **Improved Cylinder Choke** (Modified on 14" Barrels)
- * **Tough, Black Synthetic Stocks** are non-reflective and impervious to even the harshest environments
- * **Parkerized Finish** for moisture and abrasion resistance that won't reflect light
- * **Large Side-Ejection Port**
- * **Sling Swivel Studs Standard**
- * **Special Recoil Pad** for greater control
- * **Trigger Plate Easily Removed** for inspection and cleaning
- * **Simple Field Stripping** for maintenance

Options for Your Specific Requirements

- * **Magazine Extensions** for greater continuity of fire
- * **Bead, Rifle or Ghost Ring Sights**
- * **14", 18" or 20" Barrels**

Strength, Safety and Controls

- * **Receiver** machined from ordnance steel
- * **Breech Block Locks into Barrel Extension** for strength and consistent head space
- * **Balanced Sear and Inertia Firing Pin** prevents discharge unless action closed and trigger pressed
- * **Cross-bolt Safety and Action Release** located for fast operation
- * **Blaze Orange Magazine Follower** for safety inspection
