PAGE 17: 700P & 700P LTR TWS and 40-XS System

1. Model 700P & Model 700P LTR TWS (Tactical Weapon Systems) are the *Total Sniper Rifle Packages!* It's nice when everything's added to the perfect tool at the right price...and your work's done. The TWS starts with either the 700P (26" barrel) or the 700P-LTR (20" barrel) in .308 Win only, and adds everything for a right-out-of-the-box complete package:

- * Leupold® Vari-X™ 3.5 x 10 Tactical Scope with Duplex™ Reticle
- * Leupold® Parkerized Rings & One Piece Base
- * Butler Creek® Flip-Up Lens Covers
- * Harris® 1A2 Bi-Pod
- * Michael's® of Oregon 1" Quick-Adjust™ Sling with Swivels
- * System Packed in Rugged Pelican® Hard Case

*** PICTURES: 700P System and 700P LTR System –

- * **Show Both Rifles** with scopes and bipods (not extended).
- * **Show 700P LTR in Pelican Case** with bipod extended.

2. Model 40-XS Tactical Rifle System is the next generation in cutting-edge, tack-driving tactical rifles that comes directly from our Custom Shop. Based on the time tested Model 40-X Action, the Model 40-XS combines legendary strength and dependability with the most advanced materials and components to bring you the ultimate tactical rifle for the 21st Century.

* The System's heart is the *416 Stainless Steel Model 40-X 24" Barreled Action*, coated with Remington's proprietary non-reflective black polymer coating for additional protection and non-light reflection. Add to this the following features:

- * *Action Custom Bedded in a McMillan® A3 Series Stock* with adjustable length-of-pull and comb height
- * *Chambered in .308 Win (1:12" Twist)*
