PAGE 18: M-24 Sniper System and Model 7600 & 7615 Rifles

1. M24 Sniper Weapon System – Designed for the U.S. Military, the M24's popularity stretches from SWAT teams to International Military and Government agencies. Based on Remington's legendary Model 700™ and 40X™ rifles, the M24 has quickly gained a reputation for true precision among the sniper community and is the standard against which all sniper systems are compared.

* *The Heavy, Hammer-forged, Stainless Steel Barrel's Unique 5-R Rifling* delivers combined advantages of reduced bullet deformation and metallic fouling, even pressure curves, higher bullet velocities and *longer barrel accuracy life*.

* *The M24's Aramid Fiber-Reinforced, Fiberglass Stock* with an *aluminum bedding block*, provides exceptional strength and dimensional stability in all weather conditions.
