

- Where can I get EtronX primers?
- Are you making any 5mm ammo? I heard on the internet you might load some this summer.
- Are your clay targets toxic? My husband shot a bunch over our pasture and I am worried they could hurt our horses. How do I get rid of the debris?
- I want to talk to someone in R&D.
- What is the ballistic coefficient for the 22-250 55 grain PSP?
- What is the recoil for the 300 Ultra Mag?
- If I put a muzzle break on my gun will it affect my warranty? How much difference will it be in recoil?
- What is the ballistic coefficient of a 260 Remington 140 grain?
- What is the best ammunition and gun for hunting wild boar?
- I applied for a rebate on my Model 700 last fall and haven't heard a thing.
- I am looking for the new Buckhammer slug. Where do I find it?
- How much WD-40 do you I need to put on my 1100?
- I have a Model 870 in a black synthetic, can I send it back to the factory for you to put a camouflage finish on it?
- I broke the door on my Remington Wildlife Feeder. Can I send it back to your factory for repair?
- Where do I get a dehumidifier for my gun safe?
- I need a magazine for my new Model 504. Can I order one directly from you?
- I bought some 47 Remington ammunition and it won't go in my 597.
