 - Model 700 Special Purpose Synthetic – Trull to issue NPP prior to Meeting.
 - Must compete with Tikka and Vanguard
 - Update to Varmint Line – Review/discuss new concepts. Review McMillan stock designs
ACTION: D. Diaz to check intellectual property concerning bedding block in HS Precision stocks
Trull having discussions with H.S. Precision now on how to update the line. It is going to be a difficult sell to steer the market away from the H.S. stock after we have done such a thorough job convincing the market on how great it is. Committing resources to design around it may be an inefficient use of our resources.
- Model 700 Classic thoughts – Any Ideas? 35 Remington?
 - Despite 1979 catalog-308 Win has never been done
Action: Trull to proceed with .308 Win unless Ilion has discovered new information indicating that it has already been done.
- Ultimate Firearms Muzzleloader – Samples received. Need to review and address path forward
- 700ML Concept
 - Improves 209 Primer ignition
