Trull having discussions with H.S. Precision now on how to update the line. It is going to be a difficult sell to steer the market away from the H.S. stock after we have done such a thorough job convincing the market on how great it is. Committing resources to design around it may be an inefficient use of our resources.

- Model 700 Classic thoughts Any Ideas? 35 Remington?
 - Despite 1979 catalog-308 Win has never been done
