ADL to BDL

Thank you for contacting Remington Country. You can convert an ADL to a BDL with hinged floor-plate. You would need the following parts for conversion: stock, trigger guard, trigger guard screws, magazine box, spring and follower. Many Remington Dealers and Authorized Service Centers carry a full line of parts. You may wish to contact them first before ordering parts.

To expedite your parts order please visit our Parts Information Center on our web site at:

<http://www.remington.com/support/partsmain.htm>

Detailed instructions are provided along with parts and/or service order forms.

conversion from hinged floor-plate to DM

Dear Mr

Thank you for contacting Remington Country. Remington does not offer a conversion from hinged floor-plate to detachable magazine. We do not recommend altering the firearm from the original production.
