

## Remington Introduces the Elite Safe Series (cont'd.)

Completing the Gold Elite line is the Gold Elite 25 with a capacity for up to 28 firearms and roomy interior volume of 26-cubic feet and 24-inch depth. Available in Classic Black, Metallic Burgundy or Forest Green, the 11-gauge steel body features a S & G Group II lock, polished brass hinge caps and three-spoke handle. The 11 one-inch locking bolts are all active and have aluminum bolt guides. The inside door princt and flex interior are covered in our premium velour buckskin.

At the top of the Elite series are the Platinum offerings with overall dimensions of 36"W x 60.5"H x 27.5"D, these large capacity, high-end safes feature external hinges with 14-karat gold hinge caps and three-spoke handle with oversisted hub and are available in Classic Black, Metallic Burgundy or Porest tarsen flatistical hub and are available in Classic Black, Metallic Burgundy or Porest tarsen flatistical hub and are available in Classic Black, Metallic Burgundy or Porest tarsen flatistical interior and covered inside door panel. The Platinum Elite 35 has a voluminaus 38-cubic foot interior and 27-inch depth with space for up to 39 firearms. Added security features findhade 11 active, one-inch locking boits with alaminum bolt guides, S & G Group II lock and 1200 degrees/45 minute OMEGA rating. The Platinum Elite 48 is at the logor, this safe series featuring the higher, 45-minute fire resistance rating, 13 active one-inch locking bolts and our largest interior with room for up to 52 firearms. With a depth of 27 inches and 48-cubic foot volume, the Platinum Elite 48 outweighs the competition with its added safety amonities and overall capacity.

The introduction of the Effite Series to Remington's high quality line of safes and accessories, gives firearms enthusiasts a wide range of moderate to premium choices for home security.
