This is about it except for the usual e-mails & phone calls--but I still wouldn't mind being on the schedule for e-mails....

Contact for Shahoud's orders
Open reports and shp cks

Contact for OHL orders
Includes tracking down any number of items from original om pkg to obsolete packing materials
Tracking serial numbers on pallets that go back to OHL w/ out RGA's
Tracking RGA's to determine reason for return if not indicated

Secondary for Bolt Lock calls
Includes follow-up for repair approval

Secondary for RARC's
