

Remington Arms Co., Inc.
Q&A on Model 700

Section	Question	Answer
Safety	How can I tell if my firearm is safe?	<p>advise the general public of a recall on a particular firearm. Additionally, we utilize, to the extent we have them, owners cards to send direct correspondence to the owner of the firearm.</p> <p>If you have any concerns about the safe functioning of your firearm we would be more than happy to help you get the firearm a safety check-up. You have two choices</p> <ol style="list-style-type: none"> 1. You should have the firearm checked out by a qualified gunsmith. We can help refer you to one or you can look in your local telephone book. 2. Or you could send it back to us at the factory and we would be glad to look at it for you: <p>Remington Arms Co., Inc. Attn: Arms Service Division - TPA 14 Hoefler Avenue Ilion, NY 13357</p> <p>Remember Firearms Safety depends on the person holding the gun and his /her following the 10 commandments of safety</p> <p>Note: Remind people that they should have the guns checked out periodically by a qualified gunsmith</p>
	<p>How can I tell if my gun has been altered?</p> <ul style="list-style-type: none"> - Check cleanliness of gun - Check functioning of gun - Have gunsmith review 	<p>If you have any concerns about the safe functioning of your firearm, especially if acquired used or it is an older gun, take it to a RARC gunsmith (or send it to us at Remington) for a complete check-up.</p> <p>Mailing address Remington Arms Co., Inc. Attn: Arms Service Division - TPA 14 Hoefler Avenue Ilion, NY 13357</p> <p>Remember that you, as the user, are a <i>firearms best safety</i>. As a firearms user, you have an obligation to follow the 10 commandments of safe gun handling whenever you handle a firearm. We can send you out a copy of the 10 commandments or you can access them and take a training course at our website: www.Remington.com</p>
