Gerald, we are in need of both, if possible make it 10 of ea.

Thanks,
Phillip

Vince,

Do you want these set for Magnums or Standard Calibers?

Subject: 710 SHORT INSERT

Gerald,

We are in the middle of T&P on the extruded receiver and are breaking inserts during the drop testing. Can you send us 15 short insert assemblies with the fire control assembled and set? We need these right away if possible to not interrupt testing.
