Kathy, below is a message that Danny Chamblee sent me about the m/710 guns being returned to Mayfield from E-town and this is the list of guns. Not sure if there is anything else that I need to do? The guns were transferred to "SAP- Mayfield Plant" location.

Phil,

Also need an RGA and this transfer not to include SAP transactions. Since these guns were sent to E Town on an order, RAC paid excise tax. The only way to get the excise tax back is with an RGA.

Please call with any questions or comments.

Thanks,

One serial number was off on the first list, this is the corrected version.
