Subject: M/710 T & P Update

1. Completed all preliminary measurements/inpsections - will report on this later after review of data.
2. Completed SAAMI Drop test w/Scope - all 6 guns passed
3. During post drop inspection noticed that 1 rifle had a broken insert assembly. This rifle was removed from further testing.
4. Completed SAAMI Jar-Off test w/o Scopes, Rails, or Sights - all 5 guns passed
5. Completed SAAMI Rotation Test w/o Scopes, Rails or Sights- all 5 guns passed
6. Need to do SAAMI Drop test w/o Scopes, etc. - will finish Monday morning
7. Started 100 rd. function test. Will report on this as test progresses.
