Subject: RE: NEW DEPT FOR M/700 SPL TRIG ASSY

Jeff/Gerry,
Per Dan's question have you discussed the budget sheets that need to be filled out?

Subject: NEW DEPT FOR M/700 SPL TRIG ASSY

Pete,

We recently changed the dept attached to the new SPL Trig Assy in SAP from 8772 to 8773.
What labor rate and overheads should be used for Dept 8773?
