TERMS AND CONDITIONS

It is mutually agreed and understood between the United States and carriers, including forwarders, who are parties to this bill of lading that:

This bill of lading is governed by the regulations relating thereto as published in Title 41, Part 101-41 of the Code of Federal Regulations.

Except as provided in 41 CFR 101 or as otherwise stated hereon, this bill of lading is also subject to the same rules and conditions as govern commercial shipments made on the usual forms provided therefor by the carrier.

Prepayment of charges shall in no way be demanded nor shall carrier make any collection of charges at time of delivery.

INTEREST SHALL ACCRUE FROM THE VOUCHER PAYMENT DATE ON OVERCHARGES MADE HEREUNDER AND SHALL BE PAID AT THE SAME RATE IN EFFECT ON THAT DATE AS PUBLISHED BY THE SECRETARY OF THE TREASURY

GENERAL INSTRUCTIONS AND ADMINISTRATIVE DIRECTIONS

1. SF 1109 Continuation Sheet should be used and attached hereto when space under "Description of Article" on the face of this bill of lading is inadequate.

2. Where accessorial or special services, such as exclusive use of a car or truck, expedited service, protective service, reconsignment, etc., are ordered incident to the line-haul transportation, the bill of lading shall be endorsed to show the name of the carrier upon which the request was made and the kind and scope of the special services ordered. The endorsement may be placed on the face hereof in the "Marks and Annotations," block 15, or in the space provided on this page for "Special Services Ordered," and shall be signed by or for the person who ordered the services. If such an endorsement is impractical, the same information may be set forth in a statement bearing the number of the covering bill of lading, which shall be signed by or for the person who ordered the services and, if possible, attached to the bill of lading. If the bill of lading is not available, the original and one copy of the statement shall be surrendered to the carrier from which the services were ordered, the original to be transmitted to the last line-haul carrier for presentation in connection with the bill for line-haul transportation charges. Where accessorial or special services are shown as ordered but were not furnished, the bill of lading shall be so annotated.

3. Shortage or damage reports shall be made on agency-designated forms, not on the bill of lading. Consignees shall observe the instructions on the reverse of the Consignee's Copy of the bill of lading.

4. Instructions for billing charges on Standard Form 1113 Public Voucher for Transportation Charges, are found in GSA's Federal Property Management Regulations 101-41 (41 CFR) which may be purchased from Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402. SF 1113 may be purchased from the Superintendent of Documents or reproduced in accordance with 41 CFR 101-41.313-2.

5. American-flag carriers must be used for U.S. Government-financed carriage of personal property (household goods, personal effects, or privately owned vehicles) as prescribed by 46 USC 1241 and U.S. Government-financed movement of freight as prescribed by 49 USC 1517. Statement by authorizing official justifying use of foreign-flag carrier must accompany appropriate voucher. See General Accounting Office standards in 4 CFR 52.2.

6. Contractor will return unused or canceled bills of lading to the Government office from which received.

IMPORTANT - Regulations require Original, Shipping Order, and Freight Waybill Original and Carrier's Copy to be surrendered to carrier after signature. Memorandum Copy SF 1103-B must be sent to consignee.
