

Consumer Team Meeting

11/08/01

- **M700 FSR** -Danny
There will be a radio add featuring Tommy Milner running in the Montana area starting the week of 11-12-01. This will be concerning the Model 700 bolt lock safety. We will offer consumers the option of having this changed to a non-bolt lock safety through RARC's for a modest charge (\$20-\$25).
- **Pat Slagle's Correspondence Folder** -John
Please place all correspondence to Pat in this folder.
- **Parts Barrels** -Kathy
WE DO NOT SELL PARTS BARRELS!
- **Internet** -Laura

Out of Africa

Deep inside the Dark Continent, we'll follow a group of adventurers on the ultimate wilderness quest. Across the Congo and below the equator lies a land as wild as any explorer ever encountered. We'll travel the trails of Teddy Roosevelt back to a place where the paths lead to adventures of a lifetime, deep in the heart of Remington Country.
