Dear Sir,
Thank you for your inquiry. Your local Remington Authorized Repair Center
can change your firearm from a bolt lock safety to a non bolt lock safety.

You can locate your nearest repair center by visiting the Repair
Information Center in our Support Section and selecting your model and
state:

<http://www.remington.com/support/repairsvc/ModelSelection.asp>

I was given a 700 BDL by my grandfather. He bought it in the late 1960's.
The bolt cannot be opened to unload the rifle with the safty on. Is there
a way to modify this to function more like current models?
