Dear Mr. & Mrs. Jacobs,

We apologize for the delay in response. There is not a recall on the Model 722. However we are offering a Safety Modification Program on this and other bolt action models. You can view all of the details regarding this program through the front page of our website or through the link below:

Is there a recall on this gun?

If so, to whom should we ship it?

Can we ship the gun with the stock removed?
