Dear Mr. Thompson,

Thank you for taking advantage of the Safety Modification Program. The Safety Rebate coupon is good for the safety items noted on the coupon only. It cannot be used toward ammunition.

Customer (Phillip Thompson)

When we were told about the safety update, we were told by Schells Sporting Goods, here in Great Falls, Mt and also Capitol Sports, Helena, Mt, the shop that did the upgrade on my 700 we were told we would receive a rebate on Remington product. Now we have the rebate form and it consist of Safes, Ear Muffs, Safety Glasses and Locking devices, we were interested in obtaining some Remington Ammo. could you please clarify this situation for me.

Thank you,
Phillip Thompson
