Dear Mr. Morrison,

If you wish to take advantage of the Safety Modification program, you can
take or send your firearm to a Remington Authorized Repair Center or our
factory.

You can locate your nearest repair center by visiting the Repair
Information Center in our Support Section and selecting your model and
state:

<http://www.remington.com/Support/repairsvc/Modelselection.asp>

Customer (Thomas Morrison)

What information do I require to make the "bolt-lock" modification so that
the bolt may be opened while the safety is on, as mentioned in your Safety
Message.
