Dear Mr. Nunley,

Thank you for your inquiry. All Remington Model 600 and 660 rifles were manufactured with a bolt-lock mechanism and are subject to this bolt-lock Safety Modification Program. These models were discontinued in 1979. Please see Important Safety Notice regarding the 1979 recall through the front page of our website, or through the link below:

[http://www.remington.com/safety\\_Modification\\_Program/600\\_660.htm](http://www.remington.com/safety_Modification_Program/600_660.htm)
