Dear Mr. Wendell,

Thank you for your inquiry. From the information provided, it appears your firearm is included in the recall. You can find all of the details regarding this recall as well as how to get it taken care of through our website or the following link:

I understand that the Model 600's had a safety recall. I would like to know if the firearm listed above is included in the recall. If it is, where do I get the repairs made?
