Thank you for visiting Remington Country. The only Remington Authorized Repair Center in Georgia is in Bogart. In South Carolina we have them in Darlington and Aiken. You can locate your nearest repair center by visiting the Repair Information Center in our Support Section and selecting your model and state:

Thanks again,

We have a model 700 that needs the bolt-lock repair. Do you have an authorized repair center in the Savannah, Ga. area? we live in Tillman SC about 35 miles from Savannah. Thank you. S. Hodges
