Thank you for your inquiry. Unfortunately, the part you are requesting is a restricted part. The muzzleloader must go to a Remington Authorized Repair Center to have the whole trigger assembly replaced. Please send the gun to the following repair center.
SPORTSMAN'S HAVEN
14695 E. Pike Rd.
Cambridge, OH 43725
Phone: 740-432-7243

Please put the gun in a secure carton or box, include a detailed note describing the problem, include your name, address, and phone number. If you are claiming a warranty issue, please include a receipt showing purchase within the last 2 years. We recommend shipping by UPS.

Dear Sir,
my customer has a model 700 ML with a broken part the part name is (trigger connector) part#19461. if you could send me one as soon as possible i could get him going before deer season. i am a gunsmith so there is no problem installing it.

Thank You
