Response (Laura) 8/16/2002 10:13:42 AM Dear Mr. Letterman, Thank you for your inquiry. According to the information provided, this firearm was manufactured in or around 1970. We do not have anything available online to look these up. We also want to inform you of a safety Modification Program that we are currently running on these models. You can view more information regarding this program through the front page of our website at www.reminoton.com. our website at www.remington.com.

Customer (Chuck and Sue) Hello,

Hello,
Hopefully you might assist me. I have a Remington Model 700, in7mm-08.
The serial number is 06361884. I would like to know the year this rifle was produced? Is there an online site that provides Remington serial numbers cross referencing production years?
Thank you for your prompt attention regarding this matter.
