Dear Mr. Hancock,

Thank you for your inquiry. According to the information provided, this firearm was manufactured in or around 1975. We also want to make you aware of a Safety Modification Program that we are having on these rifles. You can read all of the information regarding this program through the front page of our website or through the link below:

Dear Remington,

I own a Remington Model 700 bolt-action rifle chambered in .270 Winchester. The rifle was given as a gift and I would like to know when the rifle was manufactured. The serial number is A6213947. Any help you can give me would be appreciated.

Sincerely,

Justin Hancock
