Dear Mr. Smith,

Based on your notation that the firearm discharged, we strongly recommend that you send it to us for evaluation.

> The serial # on my rifle is: 247542. I'm relatively sure that it was manufactured prior to 1982, as I purchased it used in 1983 or 1984. If this firearm qualifies for the Safety Modification program, please let me know and I will send it in.
Thank You,
Art Smith
