To Whom This May Concern:

I am in receipt of a Remington Estimating Report for repair order number RE00056201, which states that I must sign and return within 15 days to authorize the stated repairs. On Friday, 12/20/02, I received a telephone call from a Remington representative concerning the proposed repairs to my Model 700. I gave verbal approval to proceed with repairs and gave my VISA card number over the telephone approving a total cost of \$21.40. Please advise if I must also return the estimating report in order for Remington to proceed with the repairs to my firearm (\$21.40).
Thank you,
John C. Hopkins
