Dear Mr. Cook,

According to the information you have provided, your Model 700 has not been involved in a recall. Your Model 700 rifle has a bolt-lock mechanism. It is eligible for the bolt-lock Safety Modification Program. If you participate, your firearm will be cleaned and inspected for proper functioning by a qualified gunsmith. For instructions on participating in this modification, go to:
http://www.remington.com/Safety_Modification_Program/700_safety.htm
