Response (Rena)

Dear Claude,

Thank you for your inquiry. The 700 Classic was chambered in .280 in 1997. The bolt lock safety mechanism was on all pre-1982 firearms. I have provided a link below that will give you information on what calibers and what years we made them in. I really don't have any technical information such as specs on it.

Thank you for your continued support of Remington products and thank you for visiting Remington Country!

Can you answer this riddle?

Here is a pretty neat little thing from Paul Harvey. See if you  
can guess the riddle at the end.

Paul Harvey writes:

CONFIDENTIAL

made We tried so hard to make things better for our kids that we  
them worse. For my grandchildren, I'd like better.

I'd really like for them to know about hand me down clothes and  
homemade ice cream and leftover meat loaf sandwiches. I really would.

I hope you learn humility by being humiliated, and that you  
learn honesty by being cheated.

I hope you learn to make your own bed and mow the lawn and wash  
the car.

And I really hope nobody gives you a brand new car when you are  
sixteen.

It will be good if at least one time you can see puppies born  
and your old dog put to sleep.

I hope you get a black eye fighting for something you believe  
in.

I hope you have to share a bedroom with your younger  
brother/sister. And it's all right if you have to draw a line down the

middle of the room, but when he wants to crawl under the covers with you because he's scared, I hope you let him.

When you want to see a movie and your little brother/sister wants to tag along, I hope you'll let him/her.

I hope you have to walk uphill to school with your friends and that you live in a town where you can do it safely.

On rainy days when you have to catch a ride, I hope you don't ask your driver to drop you two blocks away so you won't be seen riding with someone as uncool as your Mom.

If you want a slingshot, I hope your Dad teaches you how to make one instead of buying one.

I hope you learn to dig in the dirt and read books.

When you learn to use computers, I hope you also learn to add and subtract in your head.

I hope you get teased by your friends when you have your first crush on a boy/girl, and when you talk back to your mother that you learn what ivory soap tastes like.

CONFIDENTIAL

May you skin your knee climbing a mountain, burn your hand on a stove and stick your tongue on a frozen flagpole.

I don't care if you try a beer once, but I hope you don't like it. And if a friend offers you dope or a joint, I hope you realize he is not your friend.

I sure hope you make time to sit on a porch with your Grandma/Grandpa and go fishing with your Uncle.

May you feel sorrow at a funeral and joy during the holidays.

I hope your mother punishes you when you throw a baseball through your neighbor's window and that she hugs you and kisses you at Hannukah/Christmas time when you give her a plaster mold of your hand.

These things I wish for you - tough times and disappointment, hard work and happiness. To me, it's the only way to appreciate life.

Written with a pen. Sealed with a kiss. I'm here for you. And if I die before you do, I'll go to heaven and wait for you.

Send this to all of your friends. We secure our friends, not by accepting favors, but by doing them.

Paul Harvey RIDDLE:

When asked this riddle, 80% of kindergarten kids got the answer, compared to 17% of Stanford University seniors.

What is greater than God, more evil than the devil, The poor have it, The rich need it, And if you eat it, you'll die?

Send this to 10 people and then press shift and you will get the answer.

P.S. You won't believe this, but this really does give you the answer!!!!
