Dear Mr. Martin,

We apologize for the confusion. We did not print new rebate forms. The
rebate coupon that you have will be honored. You are welcome to include a
copy of this email with your coupon if you would like.

I sent my Model 700 to an authorized repair center just before the end of
last year under the pre-1982 rifle safety modification program. When it
was returned to me after the first of the year, the \$20 rebate certificate
had already expired. Since the program has been extended, can I get a new
rebate certificate that hasn't expired?
