Response (Rena)  
Dear Maurice,

7/1/2003 10:01:05 AM

From the serial number that you have provided, your firearm was manufactured in 1975. Yes, it will have the bolt lock safety. I have provided a link below to our website that will provide instructions for the Bolt Lock Safety Modification Program.

[http://www.remington.com/Safety\\_Modification\\_Program/remington\\_safety.htm](http://www.remington.com/Safety_Modification_Program/remington_safety.htm)

I hope this information is helpful. Thank you for your continued support of Remington products and thank you for visiting Remington Country!

Customer (Maurice Randall)
