Thank you for your recent inquiry. From the serial number that you provided, your gun was manufactured in 1978.

I have provided a link below to our website that will provide safety information regarding the Model 700.

It's not too early to begin planning for next season. At Remington, we offer a number of services to keep you in the hunt and your firearm in peak performance condition. Services to include: wood & metal refinishing, direct factory parts purchases, routine cleaning & inspection and more. These services are available for current models only.

At this time of year, turnaround times are at a premium. For more information, please contact us at 1-800-243-9700 or check out the support section of our website at www.remington.com.

Thank you for your continued support of Remington products and thank you for visiting Remington Country!
