

Model 700 ADL Safety Recall

Discussion Thread

Response (Jessica)
Dear Michael,

12/18/2003 9:38:19 AM

We have not recalled your Model, however, it is part of a modification program that is voluntary, please click on the link below for information on this program:

http://www.remington.com/Safety_Modification_Program/remington_safety.htm

If in the US, we recommend taking/shipping the firearm to one of the following Remington Premier Repair Centers for inspection.

Customer (Michael Moreen) 12/15/2003 9:05:31 AM
I have a model 700 ADL bolt action rifle, purchased in the mid 1970s,
which is subject to the recall for safety in F position during load and
unload. Are there any dealers in the Detroit Metro area that can perform
the modification, such as Dunham's in W. Bloomfield? I'd like to get the
change made without shipping the gun back and forth to your plant. Please
advise.
