Dear Mr. Bowman,

Thank you for sending your firearm in to us for service. Our factory has an estimate in the amount of \$20.00 for the repair of your firearm. This fee includes replacing the trigger assembly under the bolt lock modification. Your only charge is for the labor. To approve this repair, please call us at 1-800-243-9700 M-F 9am-5pm EST. You may pay by credit card over the phone, sending in a check or money order or you may choose to have the firearm sent back to you COD. Please contact us so that we may begin the work to your firearm. We look forward to your call. Thanks in advance.
