Dear Mr. Backus,

Thank you for your inquiry. According to the serial number, your rifle was produced around 1999.

The parts can be ordered direct by calling 800-243-9700.

If you will complete the form located through the link below we will forward to you a copy of the original owner's manual.

I have lost the bolt to my Remington 700 short action in a 17 Remington. It may also need the bolt/safety modification. Can you give me an estimate on cost? Love your stuff. Thankx.
