Dear Kirk,

The rebate coupons come in here to our Consumer Service Department. We still honor them with the Dec. 2003 expiration date. We hope this information is helpful and we appreciate your loyal support of Remington products.

I sent my Remington model 700 adl 30.06 rifle to have the bolt lock safety modified. You received my rifle on 3-16-04. I was supposed to receive a \$20.00 rebate. The rebate coupon you sent me expired on Dec 31, 2003. Please send me a rebate coupon that is not expired.

Thank You
