Thank you for visiting Remington Country! We certainly appreciate you taking the time to write in with your question. There is not a recall but a safety modification program currently in place for 700 models prior to 1982. For more information on this program, please click on the link below:

[http://www.remington.com/Safety\\_Modification\\_Program/remington\\_safety.asp](http://www.remington.com/Safety_Modification_Program/remington_safety.asp)

Should you have additional questions, please feel free to contact our Consumer Services Department at 800-243-9700, 9:00 am - 5:00 pm, EST, Monday through Friday.

I bought a Model 700 bolt action 30.06 back in the 70's, it has miss fired several times. I was told there was a recall on this model, for this problem. Thanks, Randall Kincaid
