Dear Jeff

The rebate is for Remington safety products. The \$20.00 rebate coupon good towards the purchase of any Remington brand safety product (eye protection, hearing protection, cable and trigger locks, gun cabinets and gun safes.) You will have to return the original receipt from the purchase, along with the UPC code from the product to receive your rebate of up to \$20. Thanks again for your inquiry.

Perhaps my understanding of the program is unclear. Am I to first purchase the products in question, then submit those receipts for a rebate?

I was to understand that a coupon for \$20.00 worth of merchandise was to be sent to me.
