I DIDN'T THINK WE DID BBLD ACTIONS ANY LONGER.

I BROKE DOWN AN OLD BBLD ACTION NUMBER AND DIDN'T SEE ANY IN ILION.

Lois, This is the request that I needed the bbl actions for this morning. What part number should I use to process a quote for left hand .308 actions? Or do we have to sell the bbl assembly, firing pin assembly, bolt assembly, etc. all as separate pieces? Thanks again.

Bill,

All 3 guys that cover the LE parts are out doing training and John Loschin, manager over customer services, is handling the follow - up for the 3 LH short action 308 model 700 receivers you need. He will have someone call you to find out exactly what you need. Receiver - receiver with bolt - receivers with bolt and fire control

/

You guys have been approved to buy receivers so there should not be any problems.

Via a copy of this email to Ken, I will ask that you contact Ken Nickerson, whenever you need something. (I am always available also as you know). Ken oversees the armorers and parts sales for LE from here in Madison and may want to establish someone else as a POINTMAN ASSIGNED TO THE US SECRET SERVICE but we need to at least start it with him.

Please let me know if I can be of further assistance.
