

### LE STOCKS AND THE R3 RECOIL PAD

IF A CUSTOMER CALLS AND WANTS TO KNOW IF THE R-3 WILL FIT THE 870 POLICE SHOTGUNS, HERE IS HOW TO KNOW AND WHAT WILL FIT:

YOU WILL NEED TO VERIFY SERIAL # FIRST, IF IT HAS A REMINGTON STOCK ON IT (WITH A METAL PLATE IN THE BUTT OF THE STOCK) IT WILL FIT. TO REMOVE THE METAL PLATE YOU WILL NEED TO PUT YOUR FINGER IN THE HOLE IN THE PLATE AND PULL, IT MAY BE TIGHT DUE TO THE PREVIOUS RECOIL IN THE GUN AND YOU WILL NEED TO FIT SOMETHING IN THE HOLE SUCH AS A SCREWDRIVER AND LIGHTLY LIFT UP ON THE PLATE. IT SHOULD COME OUT. IF THE GUN HAS A DAVIS STOCK ON IT, IT WILL NOT FIT. THE STOCK IS THICKER ON THE SIDES NOT ALLOWING THE PAD TO FIT PROPERLY. ANY OTHER REMINGTON 12 GAUGE SYNTHETIC SHOTGUN STOCKS THE R-3 WILL FIT.
