Dear Mrs. Fischer :

You have requested that we supply you with the following component(s):
F98884 BOLT ASSEM.
F33225 RECEIVER ASSEM

Normally, these parts are restricted to factory installation only, as we consider it necessary to perform additional testing prior to sale, such as: proofing, test-firing, or additional gauging after final assembly. These checks are performed on every gun in which such parts are installed. However, in view of the special circumstances in this case, we would agree to supply you these parts provided you will agree to the following conditions:

1. FEDERAL LAW ENFORCEMENT TRAINING CENTER (DEBBIE FISHER) agrees that these parts will be properly installed in a manner prescribed by Remington, and that rifles in which the parts are installed will be proofed and test-fired according to industry standards.
2. FEDERAL LAW ENFORCEMENT TRAINING CENTER (DEBBIE FISHER) agrees to indemnify and hold harmless Remington Arms Company, Inc., and their officers, directors, owners, agents and employees against damages and expenses (including reasonable attorneys' fees), relating to product liability suits or claims for damages for bodily injury (including death) or property damage resulting from the use of the parts supplied to FEDERAL LAW ENFORCEMENT TRAINING CENTER (DEBBIE FISHER) by Remington under this agreement. FEDERAL LAW ENFORCEMENT TRAINING CENTER (DEBBIE FISHER) shall have the sole option to defend or settle any claim against which FEDERAL LAW ENFORCEMENT TRAINING CENTER (DEBBIE FISHER) is obligated under this clause to indemnify and hold harmless Remington.

If these conditions are acceptable to you, please have an officer of FEDERAL LAW ENFORCEMENT TRAINING CENTER (DEBBIE FISHER) signify your acceptance of these conditions by signing the bottom of this form. Please return it to me at the above address.

Sincerely,
