In July of 2003 we shipped 3 guns with the serial numbers of FBI0001, FBI0002, and FBI0003. They were shipped under SKU 27174 to Iron Brigade Armory.

Therefore;  
We can not start this range from FBI0001.  
I recommend that we start at FBI0005 or FBI0010.

Please let me know what we need to do so I can communicate with the receiver shop what the plan is. If necessary, please contact the customer for his input.

Thanks  
Rick
