Repair Center

Remington Arms Co.

Ilion, NY 13357

Dear Sirs:

Enclosed is a Remington Model 700-243/50N-2238-1 rifle. The rifle went off when I released the safety. This year it didn't seem to me that this is a known problem with this rifle.

Therefore, I would like to have you make whatever modifications necessary to repair it. Please do so and return it as soon as possible. In advance for your co-operation.

Sincerely,

Henry D. Ahern, Jr.
